**Collection MYS**

The MYS Collection, or “Monaco Yacht Show”, expresses our take on furniture that should feel at home on a Yacht or a Summer House, where these pieces would come alive through the play of light and shadows.

Their finishes are always light, and a mixture of lacquered and reflective surfaces are coasting along textured and opaque ones.

Although we envision the surrounding space to be sparse and essential, these furniture elements are meant to stand out as independent architectural elements, proud in the way they propose their shape.
