Collection 1968

A revolutionary time is often needed to reset our perception of who we are and what we want.

Between materialism and meditation, the 1968 Collection is graphic, racy and unlooked-for. This is our most unique collection, one that should make you

forget the ordinary, if only for an instant. Experimenting with finishes and materials, these pieces take "classic-with-a-twist" to a more bespoke and private level.
